

**BLACKHEATH  
PREP**

**Clubs Programme**  
Spring Term 2025

## Introduction

This edition of the After-School Clubs booklet reflects changes we have made in the clubs we offer, based on feedback and our desire to bring more and varied opportunities into the programme. Our clubs provision is constantly evolving as we seek fresh and inspiring ways to extend and enrich children's learning and respond dynamically to their interests.

At the heart of our ambition for Blackheath Prep is our commitment to providing the very best for all children to enjoy and achieve. This includes having the widest possible range of opportunities both within and beyond the curriculum. We offer extra-curricular opportunities through various types of provision delivered by school staff, external providers and independent clubs, all with a view to increasing the range of experiences that children have, enabling them to make informed choices for adult life. Activities are designed to be fun and cater for a wide variety of interests.

We want to offer the scope for each and every child to find a passion, develop a talent, spark an interest or simply find pleasure in doing an activity with others. After-school clubs are a fantastic way of achieving this and we are excited to offer a wide range of clubs. This booklet outlines all of the after school clubs we have available.

Some internal clubs are heavily oversubscribed every term and children may be placed on a waiting list for these clubs. Whilst every effort is made to ensure that children are able to enjoy their choice of clubs, this is not always possible.

### **Clubs may be cancelled if there are not enough participants.**

We hope you will take time to explore what is on offer and encourage your child to try something new or continue taking part in a firm favourite.

We will be using the online myEVOLVE booking system for all internal clubs, as well as Tennis. Other external club providers have various means of booking which are detailed in this booklet.

**Internally run club preferences can be selected immediately via myEVOLVE on MySchoolPortal.**

**External club bookings will open on Friday 22 November at 8.00pm.**

**All club selections must be made by 8.00pm on 7 December 2024.**

**Club allocations will be made by Monday 16 December 2024.**

**Please note that the clubs run by outside agencies require direct booking and payment to secure your place.** The charge for all internal clubs run by staff are charged through the myEVOLVE platform. Occasionally, fixtures and other events will mean that children may miss a club and in these circumstances, **we regret that we are unable to provide a refund.** The PE Department will make every effort to schedule fixtures on allocated Games afternoons to minimise disruption to after-school activities so please do bear this in mind when booking your clubs. Year 4 Games takes place on Tuesday afternoon, Year 3 Games take place on Wednesday afternoon, Year 5 Games takes place on Thursday afternoon and Year 6 Games take place on Friday afternoon.

The school's Spring term calendar will be available on My School Portal. If you feel that too many sessions of a club are likely to be missed due to other events, you have the option to change or cancel your bookings at the start of the Spring Term. No changes will be accepted once the clubs programme has commenced on Monday 13 January 2025.

## Important Points to Note

With effect from 1 January 2025, new legislation being introduced by the Government will require the School to apply VAT at 20% to the cost of co-curricular clubs and activities provided by the School. The exceptions to this will be Breakfast Club and Late Stay which will remain exempt from VAT as they are deemed as welfare only arrangements (i.e. there is no element of tuition, learning or coaching).

### **The new cost for internally run clubs effective from 1 January 2025 be £10.93 per session, inclusive of VAT.**

As there are 9 sessions of internally run club sessions due to take place this term, the cost per term for internal clubs will be **£98.37** (inclusive of VAT) for the Spring Term.

External clubs are charged at variable rates, which are detailed in this handbook.

Internal club bookings to take place using myEVOLVE, via the link on My School Portal by **80pm on Friday 7 December 2024**.

Any difficulties with the booking system, please email [evolve@blackheathprep.co.uk](mailto:evolve@blackheathprep.co.uk)

Any changes to bookings must be made by **Monday 13 January 2025**.

Activities in a **blue box** will need to be booked directly with the external provider.

An overview of each activity is provided when you click on each **TITLE**.

This programme is subject to change. *Any necessary changes will be communicated to parents as soon as possible.*

### **Music Ensembles and Choirs**

**Queries regarding choirs and ensembles should be directed to [lucy.poole@blackheathprep.co.uk](mailto:lucy.poole@blackheathprep.co.uk)**

**The staff in the Music Department will confirm full details with members of groups at the start of the new term.**

Please be advised, our instrumental ensembles are generally for pupils working at, or above, Grade 1 standard on their instrument (with the exception of Pre-Prep Ensemble). Do let us know if your child:

1. Has not played with an ensemble this year
2. Is of the appropriate standard
3. Would like to join next year

### **Morning Sports Clubs**

Morning sports clubs are offered free of charge and will be confirmed at the start of the Spring Term. However, there are additional costs should your child attend Breakfast Club prior to attending a morning club. These costs are detailed in the Wraparound Care Booklet. Breakfast Club should be booked in advance using myEVOLVE.

**Queries regarding morning sport clubs should be directed to [jonathon.barradell@blackheathprep.co.uk](mailto:jonathon.barradell@blackheathprep.co.uk)**

## Clubs

### 3D Modelling Club

3D modelling club is a hands-on, creative space where students can design, model, and print their own 3D projects from start to finish. Using digital tools like Tinkercad, students will bring their ideas to life while learning the basics of 3D design and technology in a fun and collaborative environment.

Where	<b>IT Suite</b>
When	<b>Thursday 3.30pm – 4.15pm</b>
Who	<b>Y3, Y4, Y5 &amp; Y6</b>

### Ballet

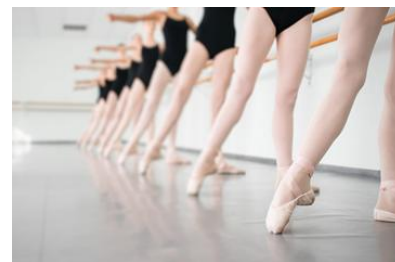

This term will have a “Seasons of the Year” theme.

Children will learn the fundamental steps, exercises and techniques of Ballet dancing. Pupils will learn set grade exercises from the ISTD and IDTA syllabi. The knowledge the pupils learn from their steps will be linked together to create a “Seasons” themed end of term demonstration. We will be exploring music such as Vivaldi to create a piece based on the Weather types and seasonal events. Pupils will get to use props to inspire creativity, focus and performance skills.

The ISTD and IDTA are recognized awarding organisations of the CDMT (Council of Dance, Drama and Musical Theatre) and offer OFQUAL regulated examinations.

### Code Kids

#### Minecraft Coding

Learn to code with the world's most popular block-building game. Coders will learn new programming concepts and mathematics concepts each week with Minecraft Education Edition. They will be given projects that help build problem-solving skills using Microsoft MakeCode (and potentially Python or JavaScript for the older year groups) in a safe, single-player, 3D Minecraft world. Topics will build up each week with co-ordinate geometry, conditionals, loops, variables, functions and much more!

#### Lego Robotics and Coding

Build and code your own robots! In this club, the children will learn about all types of components that are used in building robots: processors, motors, sensors, displays etc.. Each week, they will use these to build and programme their robots. They will be given a set of challenges to complete each week. Applications will vary from smart homes and automated machines to rescue bots and space rovers. The pre-prep children will be working with Lego Wedo 2.0 and Lego Spike Essential whilst the prep children will use Lego Spike Prime, BBC Micro:Bit, MakeyMakey, Sphero BOLT etc.

Please book a space directly at

### Dance Club

Create your own Show Dance!!!

Pupils will get the opportunity to dance at the Woodville Halls, Gravesend. **“Just dance- The musical” Theatre production will take place on the 29th March 2025.** We will also be displaying our Show dance in end of term demonstration. Within the class we will explore steps and techniques of different dance styles. We will be linking the different dance genres to make a dance melody choosing from Disco, Jazz, Street, Ballet, Rock and Roll, Salsa, Theatre, Ballroom and Latin. We will also explore different music and themes to create our end of term show dance. Pupils will experiment with choreography, learning set choreography from the teacher, and developing their own creativity by adding their own moves. We will add props depending on chosen topic. The club is great at developing team building skills, creativity and confidence.

### Discover the Power of Your Voice Club

This Public Speaking Club, led by Orator Suli Breaks, helps young children grow in confidence while having fun! Through exciting games and activities, pupils will learn how to express their thoughts clearly and speak in front of others. We'll practice storytelling, show-and-tell, and mini-presentations to build their speaking skills in a supportive, friendly environment. Whether it's sharing their favourite toy or talking about their weekend, this club will help your child develop confidence and learn to speak up. By the end of the term, each child will deliver a short presentation in front of their peers.

*Please note that this club will not run on the 17 January. To ensure 9 sessions across the term, this club will start on Friday the 10 January before resuming and running as scheduled from 24 January.*

To book this club, please email [info@sulibreaks.com](mailto:info@sulibreaks.com) with Discover Your Voice in the subject field, detailing your child's name and year group.

### Forries Education - Forest School

We are delighted to offer Forest School as part of our afterschool programme for Spring 2025. This offering will be run by Forries Education, founded in 2014 by James Hazlerigg-Kinlay. James is first and foremost a parent and lover of the outdoors and all it brings, including mud! He is a Waldorf Steiner trained primary school teacher, horticulturalist, landscape architect and garden designer, Forest School Level 3 practitioner, paediatric outdoor first aid trained and DBS checked.

While we can't guarantee the weather, you can rest assured that they will be having fun, making new friends, learning valuable life skills out in the fresh air come rain or shine. They may come home muddy but never bored!

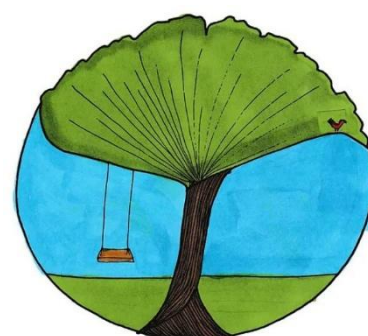

**Please note the extended hours of this club, until 5.30pm.**

### Munchkins

Our Football classes will be held on a Monday. Football Munchkins is designed to introduce children to the fundamentals of football in a fun but structured learning environment. The children will learn spatial awareness, kicking, passing, teamwork, shooting and have lots of fun. The classes are designed for both boys and girls.

Rugby Munchkins classes will be held on Wednesday. We will take children on a fantastic journey from learning the most basic rugby skills to preparing them for the next stage of their sporting career. As well as learning and developing their rugby skills, we also aim to encourage development of social interaction to build confidence and well-being. The classes will very much be for both boys and girls.

Multi-Sports classes will be held on a Friday. These action-packed classes will introduce the children to lots of different sports in a fun and structured way. The classes will very much be for both boys and girls. We will include rugby, football, hockey, athletics, tennis, netball and many more so it really is great fun for the children.

**Pop/Rock Band**

In addition to decades of experience as a peripatetic guitar instructor, Dr Mark McKnight works as a performer, composer, producer and ensemble coach, holding the position of Principal Lecturer at Leeds Conservatoire. The 'Pop/Rock Band' will introduce and develop the craft of group performance in contemporary musical styles, encouraging skills of team work, listening and individual instrumental responsibility.

Although repertoire will be arranged to accommodate the variety of experience levels present, instrumentalists/vocalists will ideally have completed **at least 1 term of ongoing individual instruction and be able to display the fundamentals of musical control** (basic assurance with melody and rhythm).

Please email Mark McKnight at [mark@mmckmusic.com](mailto:mark@mmckmusic.com) with questions and/or booking enquiries.
